

Save the Date!!!

7th Annual AT Expo

ASSISTIVE
TECHNOLOGY EXPO
2010

Keys to Independence for all Generations

Ramada Plaza Suites, Fargo, ND

April 15, 2010

What: Come join us for the 7th Annual AT Expo! Learn more about Assistive Technology (AT) and how it can help you or someone you know! AT devices and services will be addressed through exhibits and presentations in the following areas: vision, hearing, communication, learning disabilities, computer access, aids for daily living, safety, medication, home and work modifications, mobility, environmental controls and AT legal rights. Last year's Expo had almost 60 vendors! Specific activities for the 2010 Expo will be announced at a later date. Visit www.atexpo.org for more information.

Who Should Attend: People interested in AT for themselves, a friend, family member, student or client. Whether you have a child with a learning disability, a parent with memory loss or you need help staying in your own home and getting back to work, this Expo is for you!

Day's Agenda:

8:00am-1:00pm

Educational Sessions and Lunch

- \$30 registration fee

11:00am - 6:00pm

AT EXPO Exhibit Hall

- free and open to public

This event is a combined effort of volunteers and organizations. The current planning committee organizations include:

- Connections of Moorhead
- Fraser, Ltd.
- IPAT-Interagency Program for Assistive Technology
- Job Service North Dakota
- MN STAR
- ND Protection & Advocacy Project
- SEHSC Regional Aging Services
